In some respects this has been the best year of my ministerial life. God has blessed His work, and for this, I am thankful.

I have gotten out a total of 455 cards and letters, sent a number of telegrams and handled a number of long distance telephone calls. I have preached 133 times, lent assistance in connection with the work in every way I have known how and have traveled 17,000 miles in connection with the duties of the conference. We insist that each local church give due consideration to the receiving of an offering for educational purposes in the month of September as called for by the General Board of Education.

REPORT OF COMMITTEE ON FINANCE

We, your Committee on Finance, submit the following:

We believe that the system of paying tithes, and giving offerings is the one and only plan God has instructed in His Word for His work. We call attention to the General Conference Finance Committee's report and the recommendation that all our members, ministers, and laymen pay tithes so that all phases of God's work may be adequately supported.

We further recommend:

1. That all lay members pay their tithes into the local church treasury; that the pastor encourage the election of officials who comply with the tithing system.

2. The ministers of the North Carolina Conference pay fifty per cent (50%) of all their tithes into the conference treasury, and the remaining fifty percent (50%) into the church treasury where the minister holds membership or may serve.

3. That no minister shall be elected to any official position or pastor a church who does not comply with the above system.

4. That all churches pay their pastors their regular salary for the Sabbath during the annual conference session.

5. That in case of changing pastors, the local church shall defray the moving expenses of the incoming pastor.

6. It is to be appreciated the way the majority of our churches have supported their pastors this past year, but in view of the rising cost of living we recommend that the salary of the pastor be increased where practicable.

7. That each local church establish a treasury and that ten per cent (10%) of funds be sent to the North Carolina Conference, and the Conference treasurer send ten per cent (10%) to the General Treasury.

8. That funds raised by each local church for the following purposes: Foreign Missions, Orphanage, Education, General Evangelism and General Fund to be sent to the conference treasury, to be forwarded monthly to the General Treasury.

9. Due to the rising cost of living we recommend that the Conference Superintendent be paid sixty-five ($65.00) per week as annual salary to be paid monthly, and five (5) cents per mile for traveling expenses. All offerings received by the Conference Superintendent in his work in this conference shall be credited to his salary.

10. That the following appropriations be made:

Fifteen per cent (15%) of the conference receipts be placed in the evangelistic fund. Twenty per cent (20%) of conference receipts be placed in the superannuate fund.

For the present sitting of this conference:

Bishop Paul F. Beacham	$250.00
Emmanuel College	$200.00
Holmes Bible College	$200.00
Conference Secretary	75.00
Conference Treaslurer	75 00

11 That the conference secretary be paid $20.00 per month for the ensuing year.

12. That the conference treasurer be paid $35.00 per month for the ensuing year.

W. Harvey Morris,
C. R. McCartney,
O. S. Cowan.

REPORT OF COMMITTEE ON SUPERANNUATE FUNDS

We, your Committee on Superannuate Funds submit the following recommendations:

1. That all beneficiaries of the superannuate fund shall pay one-half of all their tithes into the conference treasury.

2. That ministers, irrespective of age, who have given a minimum of ten years of full time service to ministerial duties, having become permanently disabled, may be superannuated with a maximum of forty dollars per month.

3. That any minister who has complied with paragraph one, in case of death, one hundred dollars shall be paid on his or her burial expenses. This also applies to wife or husband.

4. That all promissory notes given for loans from the superannuate funds be endorsed by a financially responsible member of the P. H. Church. Loans of one hundred dollars or more shall require the signatures (endorsements) of two financially responsible members of the P. H. Church.

5. That loans made from superannuate fund be repaid on a monthly, quarterly, or annual basis. The borrower shall choose which schedule.

6. That interest be charged at the rate of 6% per annum.

7. That money borrowed from superannuate fund by Conference Board for Conference purposes bear 6% per cent interest.

8. That any note repaid within thirty days after loan is made shall bear no interest, but a service charge of 1% shall be made.

REPORT OF COMMITTEE ON WORLD MISSIONS

We, your Committee on World Missions, submit the following:

To the Church of Jesus Christ has been committed the "Great Commission" to "Go ye into all the world, and preach the gospel to every creature." To fully carry out this charge, it is necessary that we recognize our obligation to all men, both at home and in the other countries of the world. And if we are to "lengthen our cords," so as to reach unto all parts of the world, it is necessary that we "strengthen our stakes" at home, in order to be able to continue our progress abroad. In view of these considerations, we urge the adoption of the following:

1. That we call to mind the words of Christ, where He said, "The field is the world," and pledge our efforts of all to the evangelization of the 70,000,000 unsaved and unchurched people here in our own country.

2. That we intensify our efforts to get the full gospel into every state and community where we have not as yet established churches, and that we pledge anew our endorsement and support of the General Home Mission program of our church in carrying out this objective.

3. That the Conference Board take whatever steps they may deem proper to evangelize and organize churches among the Indians of th's state.

4. That in order to become the world-wide church that Christ has intended that we should be, we include in our Foreign Missionary efforts our South American neighbors and the islands of the seas, as well as Japan, Germany, Russia and war-torn countries, without regard to their position and attitude in the recently ended war.

5. For several years the N. C. Conference has been operating on the budget plan, and we feel that the merits of this systm have been proven beyond doubt to be the best we have ever employed, and we urge the continuance of this plan, as we believe it to be preferable to the plan of making special "Drives" for missions or any other phase of the work.

6. We urge our pastors and evangelists to recognize their obligation to keep always before their people the needs of world-wide

evangelism. We do not feel that it would be too much for each pastor to preach on missions once every quarter at least.

Respectfully submitted,

T. O. Todd
R. L. Lawrence
N. J. Ward

REPORT OF COMMITTEE ON CONFERENCE EVANGELISM

We, your Committee on Conference Evangelism, submit the following:

1. That the Conference Board serve as the Evangelistic Committee.

2. That they have authority to plan and secure party, or parties to conduct meetings where needed.

3. That they have the authority to set the salary and make payments for service rendered.

4. That all evangelistic funds be held in trust by the Conference Treasurer.

5. That each district elect one person to serve as district Committee on Evangelism who will work in harmony with the Conference Board in his respective territory, holding close supervision over type of ministry allowed in these campaigns.

MEMOIRS

We, your Committee on Memoirs, submit the following report:

Whereas, it has seemed good to God, our heavely Father, to call from among us one of our loyal and aged ministers, Brother J. G. Sewell, we humbly submit and reverently bow to His will.

We are hereby reminded of the following texts in His word: "For dust thou art, and unto dust thou shalt return." Genesis 3:19. "Because as the flower of the grass he shall pass away." James 1:10. "Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them." Rev. 14:13.

Brother J. G. Sewell was saved, sanctified and baptized with the Holy Ghost in a holiness tent meeting in September, 1910. He was a meek and humble spirit and loved the Lord with all his heart. He was very faithful and loyal to the doctrine of holiness and stood fast in the faith. His faithful ministry of the Word proved a blessing to many souls. He was always willing to help and encourage others in any way possible. In his last hours his testimony was that everything was right with God and he was ready to go.

Respectfully submitted,

M. H. Alexander
J. W. Wellons
J. W. Bunch

REPORT OF COMMITTEE ON ORPHANAGE

In as much as the Word of God commands us to be diligent in the care of the fatherless, and places this along with the keeping of our souls unspotted from the world; and having our own church institution, we feel that it is our bounden duty to pray for and cheerfully contribute to the Falcon Orphanage.

We submit the following:

1. That the local churches invite the orphanage class to visit them whenever practical.

2. Having seen wonderful results in following the adoption plan, we wish to encourage each church to participate in such plan when possible.

3. That we cooperate with the General Conference program in connection with raising funds for the orphanage.

4. That the Sunday School set aside the offering for one Sunday in each month for the orphanage.

5. For several years the Thanksgiving time has been chosen for a period when each person is asked to give one day's wages, or income for orphanage support. We recommend that this be emphasized and placed before our people and the public and offerings be received for same.

6. That each pastor and evangelist strive to carry out this program whenever opportunity affords.

7. That offerings taken in the camp meeting for the orphanage be earmarked as such.

Respectfully submitted,

D. J. Lyttle
R. A. Fuller
S. J. Williams

REPORT OF COMMITTEE ON PROHIBITION AND PUBLIC MORALS

In view of the onward surge of evil and observing the trend toward a compromise with worldliness, we urge our people to declare their opposition to the iniquities which abound on every hand. We call upon our members to take an active stand against the liquor traffic, the tobacco evil and the destructive forces of the motion picture industry.

We urge our people to regard marriage as a sacred institution and request that our ministers cry out against the evil of divorce.

Because of the increase of juvenile delinquency, we admonish the church and the parents to be more active in the evangelizing of our youth.

We urge our ministers to check the general rules concerning holy living in the discipline and to make those topics the subjects of discourse from the pulpit. Let our ministers become patterns for the flock to follow.

Respectfully submitted,

Mrs. C. R. McCartney
Moses Thomas
C. B. Strickland

REPORT OF COMMITTEE ON SUNDAY SCHOOLS AND P. H. Y. S.

In view of the prevailing agencies of evil that abound in our land that have brought shipwreck to many of our young people, we feel that as a conference we should unify our efforts to build up a strong resistance to them. Within recent years juvenile delinquency has increased by leaps and bounds. The powers of darkness seem to have set themselves to defy the church of the living God.

These things constitute a mighty challenge to our Sunday Schools

and Pentecostal Holiness Youth Societies. Therefore, we recommend:

1. That each local Sunday School pay tithes into their Annual Sunday School Association Treasury. That the Annual Sunday School Association pay tithes into the General Sunday School Association Treasury.

2. That four cents per mile be paid the officials of the Sunday School Association for traveling expenses in connection with their Sunday School work.

3. That each pastor encourage teacher training and see to it that a Daily Vacation Bible School be conducted in the church of which he is pastor, if at all possible.

4. That every local pastor take the minutes of the last Annual Convention of the P. H. Y. S. and have a joint study with the young people of the society in order to acquaint them with the program.

5. That each local pastor work diligently with the conference officials to make successful the district rallies recommended by the recent Annual Convention.

6. That the last Saturday night of the camp meeting be a Youth for Christ service under the direction of the P. H. Y. S. Conference officials. One of the camp meeting ministers may serve as main speaker.

7. That delegates sent to the Annual P. H. Y. S. Convention be elected from the older youth of the local societies.

Respectfully submitted,

H. D. Marshburn,
Louise Smith,
Ruth Sharpe.

REPORT OF COMMITTEE ON WOMAN'S AUXILIARY

We, your Committee on Woman's Auxiliary, submit the following:

Since the Woman's Auxiliary is an official organization of the Pentecostal Holiness Church, we recommend:

That all pastors and ministers promote an organization in each church.

That an official of the Auxiliary make at least one visit a year to each church to encourage, promote and acquaint the people with the great work.

That an officer be appointed in each district of the conference, and this official be given a voice in the district conference.

That the Annual Woman's Auxiliary Convention be held on the first Thursday of the camp meeting.

That the Annual Conference embody the Woman's Auxiliary Convention minutes in its annual minutes.

Miss Daisy Jones
Mrs. C. N. Bostic
Miss Ruth Tew
Mrs. Lois Winfrey

Report of Committee on Christian Service

We, your Committee on Christian Service, feel that the aim of the Woman's Auxiliary shall not be just to raise money, but to promote spirituality in the home, church and the community.

We feel and know that in the modern age in which we live, family worship is getting to be a thing of the past; therefore, we recommend that each local Auxiliary appoint a committee to see to it that the homes of our own people be urged to set up the family altar, and encourage others to do so.

We urge that in this day of so much child delinquency, mothers give more attention to the children under their care; first, by making the home a center of interest for them by keeping wholesome literature before them; especially insisting that they take the Bible as their daily guide; second, by keeping them off the street as much as is possible.

We recommend the continuation and expansion of the visitation of the sick and shut-ins by the local Auxiliaries; also that each member

take a greater interest in personal work, especially in evangelistic effort. And that we be outspoken in our opposition of women smoking; of familiarity between the sexes, and of any immoral conduct.

Respectfully submitted,

Mrs. E. W. Downing,
Mrs. Harvey Morris,
Mrs. D. W. Yarber.

Report of Committee on Missions

We, your Committee, on Missions, recommend the following:

First, the Woman's Auxiilaries of the N. C. Conference, feeling the great need of both home and foreign missions, and realizing that it is within our power to aid, we urge our women to put forth extra effort in supporting this great program.

Second, that the presidents of the local auxiliaries put special emphasis on the support of missions aside from the regular church contributions.

Third, the visiting and praying with the sick, scattering tracts, sending trays and flowers and sunshine to the poor and needy.

Respectfully submitted,

Mrs. W. A. Dowd,
Mrs. W. E. Thompson,
Mrs. V. W. Callahan.

Report of Committee on Memoirs

We, your Committee on Memoirs, wish to submit the following report:

1 Thess. 4:16: "For the Lord himself shall descend with a shout, with the voice of the Archangel and with the trump of God, and the dead in Christ shall rise first."

Whereas, it has pleased the Lord to remove from our midst our beloved Sister Whitaker, we bow in humble submission to His will.

Sister Whitaker was loved and appreciated by all who knew her. We miss her from our midst, but her influence lives on and we will always cherish the memory of this great woman who did what she could.

Respectfully submitted,

Mrs. J. W. Berry,
Mrs. C. R. McCartney,
Mrs. Harvey Morris.

Report of Finance Committee

We, your Committee on Finance, recommend the following:

First, that ten per cent of all receipts, exclusive of special local projects be sent quarterly to our Conference Treasury. That each Auxiliary be assessed for conference project.

Second, we recommend that each Auxiliary increase its financial status as much as possible.

Third, that no obligations be incurred by any committee without the approval of the Executive Committee.

Fourth, that expenses for traveling and correspondence of any Conference Official be guaranteed by the Conference Treasury for official duties.

Fifth, that the following appropriations be made: Mrs. J. W. Berry,

$75.00; Mrs. Blanche King, $50.00, and traveling expenses; Mrs. C. R. McCartney, $25.00; Mildred Hester, $25.00; Rev. C. R. McCartney, $15.

Respectfully submitted,

Mrs. H. D. Marshburn,
Miss Nevadie Morris,
Mrs. J. Floyd Williams.

Report of Orphanage Committee

We, your Orphanage Committee, recommend the following:

First, that a list of the needs of Orphanage be sent to the Executive Board of the Auxiliary who will distribute these to the local auxiliaries in time for the national Thanksgiving drive.

Second, that each auxiliary that has adopted an orphan try to provide adequate support for this child or notify the orphanage officials that they cannot support it.

Third, we urge that each auxiliary member resolve to help support the orphanage both financially and with our prayers, remembering that these are our P. H. children.

Respectfully submitted,

Mrs. Alex Memory,
Mrs. J. T. Shope,
Mrs. W. J. Polston.

Report of Committee on Resolutions

We, your Committee on Resolutions, recommend the following:

First, that a Woman's Auxiliary be organized in each church.

Second, that each local auxiliary support some project that will benefit the church and community.

Third, that the Conference project for the year be the construction of cabinets and work tables in the conference dining room and pantry, and that each auxiliary contribute to this project.

Fourth, that the Conference Executive Committee suggest available and appropriate program materials for the local auxiliaries.

Respectfully submitted,

Mrs. C. R. McCartney,
Mrs. V. C. Carson,
Mrs. W. H. Randall,
Mrs. Jerome Hodges, Jr.,
Mrs. S. L. Braxton.

Report of Committee on Publicity

We, your Committee on Publicity, recommend the following:

First, that a report of the Fourth Annual session of the Woman's Auxiliary be sent for publication to the Conference Evangel and to the Advocate.

Second, that each Auxiliary send in regular reports of their activities to the Conference representative as often as possible.

Third, that a director be appointed by the Executive Committee from each Conference District, whose duty shall be to promote the work of the Woman's Auxiliary, and with permission give a brief report of the work being done by the local Auxiliaries, for encouraging the formation of new Auxiliaries and exchange of ideas.

Fourth, we urge all our ministers to encourage the work of the Woman's Auxiliary in their churches.

Fifth, that all presidents of local Auxiliaries put forth every effort possible to secure subscriptions from every member of their church to our Conference Evangel and to the Advocate.

Sixth, that the name and address of both the president and Secretary of all Auxiliaries be sent to the Conference Secretary of the Woman's Auxiliary immediately after the local election for the purpose of making up a mailing list whereby necessary information and news may be more accurately distributed.

Respectfully submitted:

Mrs. J. L. Williams,
Mrs. W. J. Lewis,
Miss Bessie Sasser.
